I'm having problems serializing my license for ChemDraw I have the windows license and now it seems to be lost. I have over 1 yr old version on my computer. I sent my request for a license to: support@cambridgesoft.com in regard to my serial and activation code. I recently purchased a product called chemdraw and I was directed to use the serial and activation code. It seems as though my serial and activation code is lost and I have not received it, nor have I received a response from CambridgeSoft. I have checked my spam folder to make sure the email wasn't there. Any information would be helpful as I am supposed to use the serial and activation code to install the new version of chemdraw. Thanks! Answer: I assume that you are referring to ChemDrew. I have not encountered that problem, but the number 1 gave you includes how 3da54e8ca3
