

April 28, 2017 - Lost Grimoires: Stolen Kingdom offers an interesting adventure that includes alchemy, transmutation recipes, mini-games and a new look. It's an adventure, alchemy and fantasy take on a world filled with heroes and villains, all in mesmerizing graphics that look like a movie. You play as a young scientist who goes in search of his missing sister. She disappeared and you were the last person to see her, and her disappearance was the result of a conspiracy. You'll have to explore several different locations where you'll fight orcs, demons, dragons, and other forces of evil to find your sister.
