### **MB Astrology Kundali Match (formerly MB Free Astrology Kundali Match) Crack+**

MB Free Astrology Kundali Match is a software application that solves the compatibility problem between individuals. It's made with the aim of analyzing the compatibility between two persons. MB Free Astrology Kundali Match computes the compatibility score between two persons based on their Rashi and Nakshatr (Moon Sign and Birth Star) as per Astrological standards. MB Free Astrology Kundali Match is a very simple to use application which is basically a lot easier to use than applications such as Astrologer for Android. It also presents you with a lot more detail than it's competitor and provides you with detailed explanations on various subjects such as Rashi, Nakshatras, Punyakanta, Time Zone etc. There are 4 compatibility categories that you can choose from when analyzing your relationship, these being: Rasika (Friend), Vishya (Business Partner), Govinda (Love Partner), and Vyapaksha (Family Based Relationship) You can choose one category to analyze your relationship and also view the compatibility between your name, birthday, and time of birth. This would be very helpful for people who don't know much about Astrology but want to find out some facts about their significant other. MB Free Astrology Kundali Match has two main sections; the main interface and the results interface. The main interface gives the user information about his or her characteristics. The first section contains your name, birth time, date and location as well as the Rashi and Nakshatra of their name and birth time. The second section is where things get interesting. Here you get to view your compatibility score with your significant other. You also get to view the detailed Rashi and Nakshatras of your name and your partner's name. The application also shows you how to read Rashi, Nakshatra, Punyakanta, Time Zone, Vasya, Grahamaiti, Dina and Yoni. The results interface contains detailed information about the characteristics of both parties. For example, what type of characteristics a person born under a certain Rashi has. This is really beneficial since you know more about yourself and your partner. MB Free Astrology Kundali Match is a very simple to use application which is basically a lot easier to use than applications such as Astrologer for Android. However there are a few things that could be improved. MB Free Astrology Kundali Match lets you enter information about your birthday, time of birth and
