Tube Automator. 1957 views1.9 thousand views. April 7, 2012 26. Don't like it. Share. Save. deadpanwhale. July 12, 2011 7:04 pm. "It seems to me that today this is very relevant. That in connection with the recent events around Yugoslavia, Greece, etc., this should be in every home. Because we are talking about Europe, about values, about politics, about NATO, what is it everything is important. And here we are dealing with the fact that a person is the greatest value on earth, and that this is not so, he learns only after he is killed. This is the very moral relativism and philosophy of life
