Halo Wars 2: Complete Edition (2017), 19.29GB
Release ElAmigos, the game is already cracked after installation (crack by Codex/MnSxx/mercs213/Ston3Cold). If the game is still black screen, you must be connected to the internet and run the game from the Launcher (it works for me). If the game does not start (black screen), then install all the suggested patcher (<http://elamigos.ru/forum/viewtopic.php?f=11&t=1190>). And also can

help (<http://elamigos.ru/forum/viewtopic.php?p=783555#p783555>). The game on assurance of the authors will work longer if you delete the folder hw2 from the folder ...\\Steam\\steamapps\\common\\
