April 23, 2020 - They do connect, but not before many songs have been sung and cheesy fight scenes have been played out with computer graphics. I found that the whole movie... is actually a big chunk of CGI. That's not bad; it shouldn't be like that. But he shouldn't have been like that. In any case, I expected something more. But what I didn't expect was that at the end of the movie, when we all leave, she says, "I hope you're happy when you get home." I think it's kind of goodbye. But I didn't think it would be so sad. I don't know what it could be because the movie was probably just good. But not for me.
