It’s all about history and lineage.” True tarot card reading is based on the premise that one’s pattern of thought and behavior are shown through the patterns of their past lives and lifetimes. Kretzer’s gift is a combination of intuitive ability, inspirational creativity and a powerful understanding of history. “There is a life beyond life,” he told the Register. “I see [those who have past lives], and I will often see their name and their information.” Kretzer said tarot cards have a variety of meanings, depending on the story told through the cards. When a tarot card has a woman on it, it could signify a woman of high or low birth. But Kretzer said a woman on a card can also represent a woman going through a divorce, or a woman who has a child on her way, or a woman who is a grand mother. He said in some tarot decks a woman is represented as a two-headed woman, and that is a symbol of two women. “There’s a difference in women and men, because women have different thought patterns and personalities,” he said. “When a man 82138339de
