It is spoken in the following towns: Mpalog Bangang Oku Bamba Pong Omdé Fochi Lanto Mbidé References Category: Nilo-Saharan languages Q: What is the difference between a Shortest Path Tree and a Dijkstra's Algorithm? What is the difference between a Shortest Path Tree and a Dijkstra's Algorithm? The algorithms are similar in both the algorithms sort the shortest path and takes the minimum cost. Is there something more? A: Shortest Path Tree stores the route in reverse order, which means to understand the route of the shortest path you have to look back, as in: In a Shortest Path Tree, you look at the previous in the parent-child relationship, so you need to know the parent of the child. So a Shortest Path Tree is not a Dijkstra's Algorithm. Carmelo Anthony Welcomes Carmelo Anthony Jr. to the NBA Carmelo Anthony and his girlfriend welcomed their second son, Carmelo Anthony Jr., on Monday. "[Carmelo Anthony] and I are very excited for the arrival of our new little bundle of joy," Melo's longtime girlfriend, La La Vasquez, wrote in a lengthy Facebook post on Tuesday. "Today is a very special day for both of us, my husband's family and for the entire world. I look forward to seeing this baby grow up to be a wonderful human being and I know his first memories will be the same kind that I have of my son with me. Happy Father's Day." The couple married in March. Carmelo Anthony Jr. will join his parents in the NBA, although his first days of basketball with his father in New York will be few and far between. "
