A simple game that explores character, deck and relationships. While you play, the tiles switch places. And you only have a set amount of time to explore before they change again. The longer you can survive the changing tiles, the more points you earn. Tilt your phone to control the tiles and see what happens. Who will live, and who will die? Screenshots Video • Feel the reactions of the people and watch them on screen • Did someone approach, attack or flee from you? • Who will succeed, and who will not? 2. MEET A NEW GIRL (LOW DOWN) Mori Carta is the first game in the Mori Carta series. Your game starts with a simple investigation of a girl who looks a bit suspicious. This is your first encounter with your player character and also the girl. 3. THE PASSAGE While the girl is investigating, you can meet other

characters and you can be attacked. Those attacks also make a card enter the opponent's hand. This way you can observe your opponent and decide when to act. 4. GENTLEMEN & LADIES Start off with your opponent's hand full of cards! 5. SHOWTIME Choose the cards you want to add to your deck. You can choose cards of the same type or mix it up. 6. A HAPPY BEGINNING Showtime has ended, you have a deck, and it's a mix of cards! Watch on screen as your opponent must play the right card and lay it down so your opponent can't place it on the board. 7. BATTLE BEGINNING Decide where to play your cards, and change the layout of the playing area. 8. WINNING THE BATTLE This is the moment when you must make decisions about your strategy. 9. PASSING THE COMPETITION If you make it past the first challenge... you still have to fight the other three people. 10. THE LAST FIGHT If you do make it to the last battle, the one that is played with the five

characters, the computer plays a card that can wipe out the whole deck. 11. WIN, LOSE, OR DIE The game ends, and based on the total result points you receive, you

The war in North Africa (1942-1943) was one of the most important campaigns in the history of the world and Africa may be the most beautiful continent on Earth, but it was about to become one of the bloodiest in history. After the stunning victory at El-Alamein, the British 7th Army was driven across Libya, Tunisia and Egypt and retreated in disarray, losing 60,000 men to the

Germans. The Axis troops used the opportunity to not only consolidate their occupation of Libya but also to reinforce their presence in Africa. General Erwin Rommel, the Desert Fox, would command the new Afrika Korps and win a string of victories and new campaigns including the famous Second Battle of El-Alamein in July 1943, which would set the Axis forces on their way to the final crushing defeat at Stalingrad. Theatre of War: Battle of Kursk is a real time strategy game focusing on the massive Battle of Kursk, the second most important battles of the Great Patriotic War, and the historical masterpiece of the Great General Staff of the Red Army. As an Infantry General, the player commands the fronts between Rostov and Bryansk. The campaign map is an accurate representation of the fighting from July 5 to July 19, 1943. Fronts have been re-designed to faithfully represent the authentic movement of the German, Soviet and Romanian armies. Soviet

Air Forces (June 1941 - June 1945). Fight against the Germans, Italians, Japanese, Hungarians, and Americans. Game features: Four Campaigns (Jun 1941 - Jun 1945) Realistic map-generation, including campaign and mission maps Accurate, historical campaign trail with air, ground, naval, and special units Automatic end-game, granting victory upon completing any of the campaigns. Over 20 unique units such as Heavy Bomber Regiment "M.O. - Leninets" Over 50 maps 12 Layers, seperate maps for Campaign, Offensive, Defensive, and Air War Scenarios featuring massive battle of the Russian frontline (Kursk, Belgorod, Leningrad, Moscow) Theatre of War: Africa 1943 Set in Southern Tunisia 1942-1943, the game covers the battles that took place here as well as the Allied invasion in 1943. The Axis Afrika Korps will have to face the new combined American and British force. Focus on Rommel's last campaign in North Africa. Special Features:

You go in the world of the dead. Here, the things you most loved can be found in their tomb. It is there that you have to give your love to the most beautiful woman in the universe. Your love is the antidote that can save the world from darkness. In the game you have the opportunity to win beautiful women, such as Queen Elsa and Princess Zelda. The first of them is in a completely dark room, but in the second level you already find her in a completely light room. Your task is to take love to her in a way that the princess is not injured and to rescue her from the things that go with her, which are being locked in a coffin. There are 42 levels in the game, and it is very important for you not to rush the playing, since the rhythm

and the music you need to make with your love are the most important thing in the game. You can always choose speedrun or can choose a difficulty mode to play, and you can always look for the fastest time or find the time that suits you best.Game "Towers" Gameplay: In this game you'll have to navigate the labyrinth and defeat the enemies. You will find a lot of different things in the game, such as puzzles, traps, traps, traps, weapons, traps,

traps, traps,

Order of Battle is a close combat, tactical

action strategy game in an online multiplayer. There are 3 big factions in MOBA which are "United States Military Forces", "Turkish National Army", and "the Revolutionaries". They are all playable in online in Free-Play mode or Single-Player mode. In addition, you can play 2 or 4 players in Free-Play mode. In Multiplayer you can customize your character to change between classes. The goal of Order of Battle is to capture the enemy base. On the battle map you can decide to play by yourself and can chose the mission that suits you (Create your own Mission); Buy-to-Play: If you want to play an online game but don't want to spend any money you can still play. The game is currently in Beta. We will be patching the game regularly for you and giving you more content as we

go. We will also be adding more classes for those who are looking to do the class grinding on their own. Special thanks to our Dev and our community for all of the support. If you have any problems and suggestions please email us at Join Order of Battle: Check out the Order of Battle Modding Wiki for custom class ideas, load out ideas and general stuff about modding. Working on this game since early 2009. The game was released on 18/10/2009 on Moddb. The game was released on Steam on 22/11/2009. I can't count how many hours of fighting in this game.. three years on and still going, sounds right. Great first impressions and gameplay. Love the game, will be buying this weekend!! Awesome game. Love the COD feel, and the tactical gameplay. I have

been playing and trying out different weapons, perks, etc and im pretty satisfied with my choices.It's been a hot summer. Summer has the quality of making you drool over the thought of being in the water with a drink in your hand. It's the perfect time for a refreshing swim, and for many of us, that's exactly what we're planning to do, whether in a public pool or a private pool. However, for some people, this is a problem for several reasons. For one, they have sensitive skin and a sunburn is a hazard. For another, they are afraid of contracting skin cancer.
