① What is the title? 1. Rise, Tarnished. 2. A Fine Line! ② Why is the fantasy RPG genre getting popular again? Firstly, a fantasy RPG with abundant character development and mystery, that is, a story with a vivid plot and rich characters. Secondly, a series of titles that have retained that initial magic with various art styles and innovative game mechanisms, such as Final Fantasy Tactics and Odin Sphere. ③ What is the characteristic of a fantasy RPG? 1. Fantasy, the fantasy, dream, and desire. 2. Action and battle. 3. Role-playing. 4. A fine line. From the first entry, there was a title that had a fantasy, role-playing, and action elements, and it had a wide range of battles and was a deep role-playing game. ④ What is the overall mood of the game? Adventure, excitement, and charm. ⑤ What is the philosophy of the game? 1. Adventure The game starts with a beginning followed by an end. There is no endgame, and the battles are never fixed. Rather than preset content, the scenario is built in collaboration with the players. In a game with a loose flow, such as a role-playing game, it is always fun to discover new adventures. 2. Excitement There is action and battle in the game. You can fight against innumerable numbers of enemies, and each battle is a new challenge. 3. Charm There are a variety of character skills, and there are three main characters with their own unique characteristics. Play in co-op mode with your friends or in versus mode against your friends. ⑥ What are the gameplay elements of the game? 1. Dungeons A variety of dungeons, from easy to hard, with two modes: free mode and challenge mode. 2. Battles Battles between a maximum of six characters, including basic attacks and special attacks. You can also combine parties of up to seven characters. 3. Local versus (lobby) In addition to online multiplayer, the game can also be played in lobby mode. 4. Elements A variety of elements, including magic, weapons, armors, and other miscellaneous items. 5. Magic A variety of magic, including class skills such as healing, fire, and other miscellaneous attacks.

Example of a typical play of the game - Enjoyable Quick Battle System - Combat System with Powerful Muscles and Magic Overpowered - A Fantasy Drama with a Rich World Map - Overwhelming Exploration System - Steam Achievements with Homebrew-like Features - Invite friends and play in Large-scale Fantasy Battles - When and where to play - Can I have your attention please I will now take a closer look at each of these systems. Gameplay ELDEN RING game: Example of a typical play of the game. - Welcome to the world of Elden Ring! The Elder Gods have awakened from their long-standing sleep, and now wait for you! Is the awakening of your destiny? We have no doubt that, with your role as an Elden Lord on a throne you have earned by birth, you will fulfill the destiny of the Elden Ring! - In the "Fields" stage, which is the first stage of the game, the main character is born. The player character's main weapon is a spear, and the main piece of equipment is a tough leather armor. Moreover, the Field area is the only place in the game where the player can obtain the typical "Rise"

items: cards, weapons, armor, and accessories. These items can be developed, and the number of elements that can be developed is expressed by the rise level of the player character. The result that the player character achieves in each Field area is determined by the actions you take in it. The "Tone" is a term used in this title to indicate the player character's temporary experience. When the character has a "Tone," their next experience level is raised by one. The "Tone" can increase or decrease depending on the actions taken. Once the Tone is decreased to zero, the user loses the ability to play on that server until he or she is revived. In a Field area, you can obtain cards that can be used to expand your repertoire in "Card Tabs." Card Tabs are areas where you can equip cards in order to increase the number of elements that can be developed and can use them for the purposes for which they are intended. For example, there are cards that decrease the action

### **What's new:**

**It was supposed to be your normal, everyday life? After graduating from high school, your parents advised you to go into a university, and got a contract for you. Then, three years of H.S. have passed, and you start university life. Most people are very happy in their life. However, you think of many things... 'It can't be! I'd be this old by now?' 'I won't be able to look cool if I'm like this?'**

**No one shows mercy to a foolish person who announces that they're in a rush to become powerful.**

**THE TOURNAMENT BEGINS on the 20th. You'd be accepted by gold-attracting valentines' day if you try hard. For love.....but it's also a battle of power. But why is the protagonist of Hero's Hero still going around as a common guy?...Fantasy...Anyone can be a hero, right? You wonder what you're supposed to do?**
