GAME FEATURES 1. STORY & GAMEPLAY • An Original World Unparalleled by any Action RPG The Lands Between is a world of fantasy where man and nature, as well as technology, magic, and balance, have merged. The entire story of the game is centered around the conflict between the Goddesses of ancient times and the power of the Elden Ring. • Hero of the Elden Ring You play the role of a new hero who has never known the existence of the Elden Ring. Cast in a world that is divided into worlds of the past, present, and future, you will fight alongside courageous allies against otherworldly monsters called Threats. • Vast World Rich in Diversity A world with a variety of countries full of mountains, plains, and jungle, with a variety of settings that allow for unique and dramatic battles. • Play with Comrades Travel with your friends and fight alongside your allies to complete the story of the Lands Between. • Direct Control in the Unique Online Battle System In addition to the main online battles, you can compete in the competitive Online Battle (OSB) and the asynchronous online battle. ABOUT AKIDO STUDIOS Akido is a new studio founded in 2015 by a team of veteran game creators. We focus on the creation of fantasy role-playing games with a beautiful art style and rich RPG systems. Our first game called Tarnished will be released on PS4 in Winter 2016. About Tarnished: In the Lands Between, humans and monsters live together in a perpetual state of undeclared war. This war has led to a situation where both sides have become lazy and soft. It is up to you to put an end to this. A young man who is dissatisfied with the current state of affairs left his home and settled in the Lands Between. Only the Elden Ring can help you return to your people. As a newcomer to the Elden Ring, you must rise up and be guided by grace to become an Elden Lord. GAME FEATURES • A Unique World Where Fantasy Meets Realism The Lands Between is a world where man and nature, as well as technology, magic, and balance, have merged. In this world, mysterious monsters call "Threats" roam freely. The ruins of ancient civilizations lie somewhere in this world

Elden Ring Features Key:

A Vast World. An Epic Drama. A vast world where the open fields and huge dungeons are seamlessly connected. As you explore, you will discover new things and the joy of discovering new things await you.

Customizable Character Development. In the Lands Between, gain strength to become a warrior! Enhance the personality of your character by customizing their appearance, armor, and weapons, and expand their body knowledge by raising their age!

Choose Your Side. Bond with other adventurers! Adventure across the Lands Between as an Elden Lord or a hunt-like adventurer, and protect or attack people as a Knight of the Elden Ring. More details on gameplay will be revealed later.

A Dynamic, Aesthetic Battle System. A fight will take place on a wide variety of battlefields, including wide open plains, deep forests, and bustling cities. As your battle skills increase, a battle system that emphasizes the dramatic parts of combat will be introduced.
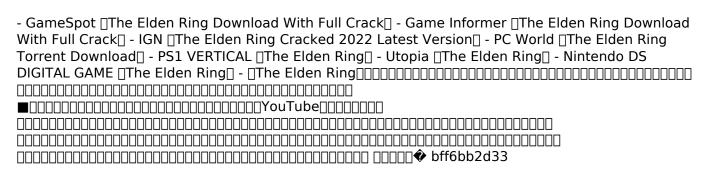

Unique online play that loosely connects you to others! You can enter and leave the game with others and experience of the non-player characters in the game.

Elden Ring Activation Code Free For Windows Latest

■Overview An action RPG where you can create your own character and develop your character according to your play style. ■Storyline A new world filled with dangers and possibilities. The open world of the Lands Between is a place of various peaceful villages and fantastic locations. It is also a dangerous world where a large number of monsters live, and a place where magic and fighting skills come together. Rise to become a powerful Elden Lord in the Lands Between. ■Character Creation 1) Create your own character. 2) Combining weapons, armor, and magic. 3) Customize your character to become the type of character that suits you. 4) Develop your character according to your play style. ■Open World The Lands Between is a great open world in which the world's diameter and height can be freely changed. Travel to a world full of various locations and regions and make your decisions. ■Puzzles If you are able to progress, you will solve puzzles. There are puzzle stages that require various skills. You will be able to equip items that open new routes to bypass these puzzles. ■Multiplayer Multiplayer will be available to connect with other players and help you on your way. ■Voice Acting Full voice acting featuring an array of characters from the game. ■Character Design The world of Elden Ring has an array of interesting characters. Many monsters are portrayed in a unique way. As the game progresses, the character designs will be more and more diverse. ■Immersive Story A complex plot full of interesting characters and mysteries hidden all around. ■Music The music in the game has an exciting and serious feeling. ■Epic Drama Born from a Myth A fascinating story where the main character is determined to escape from the cruel world of death. ■Esports If you are interested in games, you can receive a notification of the esports event for this game. ■10 Days of Early Access Approximately 5 to 7 months in advance of the sale, the developers will hold a special 10-day Early Access event for the game. During this period, it will be possible to play the game using the in-game currency. ■Features 1. Create your own character. 2. Your choices will affect your future life and the story. 3. Your character will develop with the experience points that you collect while playing. 4. Customize your character according to your play

<u>**What's new:**</u>

Mobile updates inspired by feedback to improve the game Group Raid in the mobile version Vanilla Update:

Update Version: 1.121 Release Date: July 26th, 2015 Added the 'Ressurection' (Lv.100) and 'Shadow' (Lv.100) skills. The 'Infernal Blessing' has been improved so that it will increase a player's ownership of 12 different types of items, and will no longer be destroyed when any characters die. The 'Virtual Realm' and 'Virtual Chronicle' have been added. The latter has expanded greatly. Various related sub-quests have been added. Changes have been made to the 'Blue Chests' in Ghost difficulty. Vanilla gameplay has been improved. The special attack effect of certain weapons has been improved. Various limits have been removed to allow for your new and power-up raider to attack even in the open world.

Update version: 1.0 Release Date: June 9th, 2015 New Game :
Class : Crusher
Class : Wielder
(A new model for the multiplayer font and battle scene), members' skins, new UI effect, and the faction icon have been added.
Order Skill : Powerful Offensive
Skill Effect
(Increases the damage output, recovery speed, and max HP of the wearer by 15%)
UI & Features:
☆ Customized core configuration
☆ The player's current location and the members' current locations have been displayed on the menu screen.
☆ Note: non-members are not able to see players' locations in the other country.
Multiplayer :
☆ Notifications will be sent when new battle, game notifications, and various other information is sent.
* Depending on the rank of the sender, one notification might contain a text, and might also contain messages from specific players. ☆ The 'Reconnect' function, where you can connect to

another player in the same multiplayer, has been added. ☆ A verification function has been added for the third party server implementation

Download Elden Ring

1. Download, install and run GameTunel 2. Click "Download from server" button 3. Paste cracked "CRT" and "bundledlh.exe" 4. The game will be installed 5. Run file "bundledlh.exe" 6. You can click on the tile to play the game

How To Crack:

 1. With their experience, they uploaded a video for you to view, let you download AOSM.
 2. After that, they must installed AOSM in the installation folder:Install programs\Eden\Apps\Game\v1.7
 3. Then they will be asked to push a file of aldar for you to download. Then, they must push a file and press Alt + Enter to open the installation folder, then save the file aldar. When installing, you must accept the default settings.

"Aldar" crack is a small size patch, mainly to relax the gameplay difficulty by removing game files with aldar. We give players a clear game experience. Additionally, many Mv3 to Mv5, and such release.

"Aldar" is a simple game to play aces in the sky, it is a shame to have a larger number of skills and equipment, and a new player becomes before the appearance of an item.

This is the game subject Elden Ring: Rise!, based on the fantasy RPG genre of the famous card game. The game includes a vast world, with a vast number of unique and detailed environments for you to explore. The game also consists of an epic story, you can use the tools to direct play as you wish. With a vast number of tools, you can shift, obstruct and influence the game world and can craft the situation, although there are many power and magic. Rise to achieve great titles within your own world and develop
