The Elden Ring Crack Keygen game is a fantasy action RPG that take place in a vast world where you can form a party, create your own character, and enjoy a fun game with friends while being connected to others. CHAPTER 1: WHAT'S YOUR GRAND IDEA? After some time of training in the Lands Between, the party of three Elden Lords, Red-sword Primus, Black-sword Veaver, and Crimson-sword Morus, have successfully vanquished the monsters in the world's seven provinces. The three of them finally reached the capital city, their destination. It was an extremely hot day with vicious perspiration. The three Elden Lords walked towards the Royal Castle of Grislyph the King and were met by a guard stationed there. "I am Magister Moedicus, the royal magician. Your arrival here is unexpected. Were you sent here by the king?" "We, also, are here to meet the king." Red-sword Primus responded. "We would like to have a talk with your king." "It is an honor for you to come here. I will take you to the king right now." Moedicus, also, wanted to be greeted by the king. *The Royal Castle of Grislyph the King* Moedicus, the magister of the Royal Castle, led the three Elden Lords to the Royal Castle. There was music performed in the moment of arrival, and the castle looked more majestic than ever. The party entered the castle and went straight to the throne room. King Grislyph was sitting on his throne, his face unnoticeably holding a sullen frown. "What is your purpose here?" "We, too, are here to meet the king. We have something to talk to the king about." Red-sword Primus responded. Grislyph the king answered, "Your presence here is extraordinary. What is it that you want?" "We, also, are here to talk to the king. We would like to discuss some questions with you." Red-sword Primus responded again. "Please explain." *The Throne Room of Grislyph the King* "What are you really trying to do?" "It is a long story
