In the world of Ragnarok, every man's sin has a price. The pact made with Niflheim has resulted in the destruction of the world. However, the elite warriors known as the "Elden Ring" have protected the kingdoms of the north from the Sargerite of Niflheim, sealing the Sargerite away within the "Lands Between" and restoring the lands through peace and prosperity. In this distant age, the Elden Ring is the only guarantee of civilization and security. The story behind the Elden Ring is a myth. Humans have always been living in turmoil and doubt. Humans have always done things that cause harm and they have always failed. Now the Elden Ring protects and the humans become stronger as a result. Elden Ring is a fantasy action role-playing game for mobile devices developed by Elex Technology. Find it on the Google Play Store. AUR

- **Hello everyone!**
- **Miiverse is a graphical chat application that is used on Android and iOS devices. This is a renowned, broad-spectrum Program for Linux and Windows platforms as well. It has various components and functionality. It is possible to access your Miiverse account. The current version that I have uploaded has been developed and distributed by a developer named Andy. If you run into any problems, please report to him, as he will be able to help you.**
- **Miiverse AUR has such functions as noting other players, association with other players, additions of other players, a search function and more.**
- **Repair**
    - **I Support Miiverse AUR not only as an official version of Miiverse (offline) but also as an unofficial one (online).**
    - **In my unofficial version, I've tried to make and try [update setup.8sh]**
    - **If any problem occurs during the offline mode update, please uninstall the original Miiverse (OFFLINE) before you install the unofficial one.**
- **Installation and setup**
    - **At first, you will need a code to complete the installation and gain access to Miiverse. The minimum required code is R26D2. It is possible to [return the code] if you cannot open Miiverse yourself. You can find it on Andy's Blog site.**
    - **After receiving the permission to install Miiverse,**
