    Features: Story of the Lands Between You, Tarnished, are the chosen one and successor to the throne of an Elden Lord. After the death of your father in a mysterious accident, you are pressured into taking over his position as the head of his clan. But as you prepare to ascend to your new role, you find that your father had hidden the remains of a huge problem in the Lands Between. When you, Tarnished, and his companions begin exploring the Lands Between, you stumble across a giant creature that seems to be the beginning of a conflict. An original fantasy action RPG. Feel the magic and power of your

sword by raising your maximum attack power and overcoming all your enemies! Explore a vast world and discover new and exciting elements. You are the first to lay your eyes on the Lands Between, a unique world full of excitement and unknown things. Play with friends in an awesome quest featuring active participation. Be prepared to fight against dangerous monsters and rescue the ones you care about. Add charms and items to your hero, along with weapons and armor! Customize your hero's appearance to show off your play style. A massively multiplayer online role-playing game. You can collect a group of heroes and fight together against a challenging opponent to create your own adventure! "Deliciously playable with satisfying combat and that old-school RPG charm." - Kotaku "[Tir] is good old-fashioned fantasy roleplaying all the way." - GameSpot "The battles are intense, the combat is robust, the charm of old is fully intact, and the

whole game retains the feel of the fantasy RPG experience of yesteryear." - Hooked Gamers "Tir doesn't reinvent the wheel but instead keeps everything familiar and close to the heart of what makes RPGs so great." - RPGamer "Tir is a game that really captures the old school feel bff6bb2d33

- High-Grade Action/RPG Elements: [Fantasy Game World] - Vast world with an overwhelming area filled with enemies. - The Lands Between are a hub of commerce connecting the world of Bloodborne with the Elden Ring. - Gigantic Maps With Higher Limitations on Field Exploration [Striking Gunplay] - Easy to control and difficult to miss the target. - Unlike traditional RPGs where your target area is limited to your previous field of vision, you can freely move your character and seek targets anywhere. [Eye for Detail] - Each object is carefully detailed in a realistic world. - A huge range of objects and backgrounds with sharp details allow players to quickly understand the details. [Impressive Moves] - Combat action is performed by pressing the buttons on your controller in quick succession. - There are a variety of combos that you can master. [Tons of Game] - There are over 40 character skills with unique characteristics. - A large number of weapons, armor, and accessories are also ready for purchase. [Tons of Combat] - Action skills have a variety of effects. - A variety of weapon types are at your disposal. - Skills that depend on weapon types that are equipped at the time of use have unique effects. [Keep on Fighting] -

While your health is gradually regenerated, keep on fighting to reveal the deepest secrets. - There is a condition called "Gravity" when your character's health is lowered. - A variety of effects including field hazards and personal skills are exhibited. [Battle Management] - A variety of troops are gathered. - A variety of tactics and maneuvers are available. - High-Quality Graphics, Sound, and Game Over Theme - The world of Bloodborne is a dark-gray world of Gothic tiles, with over 50,000 polygons. - Players can select from eight different weapons, with unique variations. - Player movements are smoothly executed. - High-quality graphics and sound effects combine with the world of Bloodborne to give a vivid sense of immersion. [GAME OVER Theme] [Epilogue] - Play the role of the lead character after the ending. - The epilogue will unfold with dialogue, and players can choose how to decide the fate of other characters. [Original Appearance]

A: Notice the "id" attribute of #LAP. For mobile browsers for example (unless you are using Request Desktop site, I'm pretty sure this is happening in all mobile browsers): It must have an identifier, that does not have a leading '#' character. So, the html for the final html would be something like this:

Tarnished Prince
