Also, the information on the "Latest News" can be obtained. ** REVIEWS OF ELDEN RING GAME "Originally developed as OVA, Elden Ring is now a full-fledged game. It seamlessly performs many elements from OVA, including turn-based battles, automatic readjustment, and night effects." -Yuuki_Mizuno, RPG Garo fan "When I first started playing Elden Ring, I was utterly captivated. The game that, though an adaptation of a visual novel, looked fresh in some way." -Shiun, geek enthuasiast! "Elden Ring is a very advanced game on the level of Under the Radar Game. The open-world game experience that deals with a fantasy world is vast. In other words, if you can't put down the game for a while, it's going to be very difficult." -chiyoda_hack, Sorata_Raichii "The most unique thing about the game is its combo system. Unfortunately, it wasn't implemented as simply as it should be. It can be fine-tuned to make it more enjoyable." -Ls_Koma, Tensei_Eiji

Elden Ring

ESCAPE TO ARUSHAKU X In order to overcome the end of the world, you leave a place and enter a new one. For example, you enter "A late summer's night on a mountain path, in a forest where the moon hangs suspended in the darkness." Also, you enter the "creation of the world." This game is a simulation game that combines action with a puzzle. GAMING COMBO CONTENT FARMOURBIS In order to add the RPG elements to Fatshark's medieval RPG, we added a wide range of gameplay to the game and made it more fun. □Combat System : Turn based, auto-aim, AI and hotkeys can be used. □ Skill : Attack, gun, magic, equipment, and each character has their own style. □ Combat : Characters can change the stance or the combo for more effective attacks. □ Monster : In the initial adventure, the monsters are customizable. The number of the type of a monster and its attribute will be displayed on the corner of the screen. You can quickly change the monster type without changing the equipments. □ Equipment : You can customize the weapons or armor that you equip. □ Ecosystem : Characters will be able to choose to go into a low level or a high level area. Battles are held for both characters, so that the time spent fighting will be cut down. □ World map : You can choose to travel to various islands and open the map with a map tool. □ You can enter and leave a dungeon in a map. GAMING COMBO CONTENT ELDRIN SHIELD In order to add the fantasy RPG elements to Fatshark's medieval RPG, we added a wide range of gameplay to the game and made it more fun. HEROIC STYLE The Elden Shield is a defense equipment that can protect yourself from all kinds of monsters. ■HERO ITEMS (Three Types of Equipment) ■Elden Shield ■Elden Shield +2 ■Elden Shield +3 Regarding Elden Shield items: Character name : A brave adventurer wants to progress through the game. But if the equipment of his character is damaged, he will face strong enemies and be attacked. ■Physical stats : On a HP bar, the remaining HP will be displayed. ■Combat stats : On a CP

app-reviews 2,392 1 2 lmao #1 #Android Incredible 4.5 5 2 I'm really excited to be playing this game. The graphics are really nice. The world looks and feels real and there's so much to do. The game controls are smooth and the characters are beautifully created! I especially love the different weapons that you get and all the improvements they've made since the beta version... I've only played for 2-3 hours so far but there's nothing I don't like... It's really good guys. Well done! Great fun too :D Great! 4.6 5 2 Really looking forward to this game. 4.6 So far so good 4 5 2 Finally downloaded it on an Android phone. First impressions are really good, really well thought out and enjoyable. The characters are really sweet; the graphics are fantastic. Even the fantasy/RPG elements seem to fit really

well, and I can't really fault the whole game. I'm enjoying what I'm seeing so far, and if it does what I hope, I hope others enjoy it too. Love it 5 5 2 This game is awesome. I love how the PVP is a dragon with different moves. The graphics are really nice. The control of the battles is awesome. If anyone wants to PVP in this game you can. You don't need to raid anyone. You can just fight them. Though sometimes if you are far away they won't be able to see you. But that's okay. The one thing I wish was changed is the interface when you
