In 2014, when these straps were released, I was skeptical of who would purchase this product. They seemed too simple and not very versatile. As they stand today, they still seem simple and not very versatile. They still fall short in the level
of quality and craftsmanship of other straps around. but all of that is completely subjective. To me, the value of the Masterlock is in the simplicity and quality of the product. Master Lock sponsored the production of this video. Spy Gear for
smart phones and mobile devices. Watch my video on how to disassemble cell phones and conduct a complete phone line security drill. All of my videos are showing you the best ways to remove phone screens, replace SIM cards, clean,
secure and modify phones and tablets. Follow me on Twitter, Facebook, Instagram. Follow my VlogChannel:
