Harry Potter And The Sorcerers Stone EXTENDED 720p BluRay x264 Harry Potter And The Sorcerers Stone E. Harry Potter And The Sorcerers Stone EXTENDED 720p BluRay x264 Harry Potter And The Sorcerers Stone E. I watched the extended version for the first time last night. It's nice to see they actually made the extra I wanted to watch more of it. But if you've never seen it you should check it out before watching the extended version of 1-8. I recommend you watch it before 1-8 is released in the theaters. I personally love
