Converter Ultimate v7.7.2 build 20130225 Incl Crack.rarQ: Cannot set EventHandler in class
constructor I'm trying to set an eventhandler in a class constructor and it throws an exception.
Following code throws an exception: public class Foo : IDisposable { public string Name {get; set;}
public event EventHandler SomethingHappened; public Foo(string name) { Name = name;
SomethingHappened += (this, EventArgs.Empty); } ~Foo() { EventHandler handler =
SomethingHappened; if (handler!= null) { handler(this, EventArgs.Empty); } } } Even when I build
and
