The show is hosted by Randy McInnes and filmed in and around the Kanata region of Ottawa. Each episode features 5 contestants who are challenged to solve a riddle, based on a different criminal, to advance in the game. The riddles are compiled from the riddles found in the Inside Man collection by Brian Harrigan, a mysterious Irishman who made his home in and around Kanata. Each episode of the show contains three rounds of riddles (and one final round at the end). At the end of the third round, the winning team is given an item for their team while the losing team is given the "Villainous Riddle", which is a riddle on the same theme but much harder to solve. When solving the Villainous Riddle, if the riddle is solved correctly, the team leaves with the possessions of a suspect in a crime, and if it is solved incorrectly, the team is forced to guess what kind of criminal the riddle is referring to. At the end of the round, the teams that advanced past the third round are revealed. The show is very similar to the UK's Only Connect in the way each game works, however it has a more "kooky" nature to it and more celebrity guest are seen. The show is currently in its third season and has been well received. References External links Official site

I do not write this alone. I am more than than that. I have learned this from my dad. He is a very well know teacher and a mystic. There are many books written by him. But he does not teach. He gives his knowledge in full. He teaches with style and precision. He makes people read to understand. He can teach anyone about the true nature of truth. He is not to be judged. His words are not to be discarded. He is beyond all limits. His teaching cannot be judged by any human. His teachings cannot be written or read by anybody else. He cannot be written by anybody else, for his teaching is something beyond the ordinary mind. He will not teach anyone else. He himself will open the path to him. He will show you the way. If you are asking where you can find him, you will not find him until you understand his teachings. Thats why he has not told anyone about the true nature of truth. You should know that your being is not this. You are not like this. You are not nothing. You are not the only existence. You are much more than that. For your true being is that, which belongs to Shrimad. You are not a part of Shrimad. You are Shrimad. You are the divine nature of Shrimad. You are Shrimad. You are Shrimad. You are Shrimad.
