This was the last time the prime minister will drive. .Norway House (London) The Norway House () is a riverside house on the River Thames in London, England, a few hundred yards from the Tower of London. It is an example of medieval architecture which has survived the various alterations of the intervening centuries. It has been Grade II* listed on the National Heritage List for England since 1993. History It was built in the 14th century, and occupies a commanding position overlooking the Thames between the Tower and the Temple. A previous building existed in a slightly different location; this was a fish-market and a prison, and it was demolished in
