Elden Ring is an action RPG that seamlessly integrates our global narrative experience into a single game world. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. In addition to your character’s development, your experience is enriched by the vivid world. ► Features (1) A Vast World Connected to a Multilayered Story ► Wandering the World of the Lands Between A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. ► A Behemoth Eats the Environment While You Play Whether you are in a field or deep in a dungeon, you will be immersed in the epic drama that unfolds while you are traveling. ► Unparalleled Victory to the Victor While you are progressing, the drama continues. As you defeat monsters in the open world, they will flow into the dungeon and test you there. As you are overcome by overwhelming odds, you will be guided to success with a cinematic ending. (2) An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. ► An Online Story Connected to Humans We have delved into the history of our Elden world, so that the setting can appeal to humans who believe in this myth. Taking advantage of this knowledge, we create a unique setting in which the online world seamlessly connects to the “real” world. ► Unique Online Experience In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. (3) An Action RPG that Continuously Improves ► Battles In addition to your character’s development, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. ► Battles in the Open World You can fight giant monsters in the open world, or go to a dungeon that

New Characters — Fill the exciting story that unfolds in Story Mode by creating your own character using the Hero Design System. Create the heroes you want to play as and build powerful characters.
Unique Abilities — Your skills are the pillars of your character’s personality that affect gameplay. You can freely develop and customize a wide variety of skills to improve your play style.
Discoverable Content — Adventure through the world that not only expands as your character increases in level but also draws your attention further. Find unique monsters and dungeons and immerse yourself in a rich discovery experience.

As an action RPG, Elder Scrolls Online emphasizes the importance of action scenes. Enjoy a variety of exciting battle scenes with a multitude of exciting attacks. This time you will have more advanced and intuitive actions for the battle scene and you can simultaneously interact with NPC’s and monsters. Enjoy different camera angles and view. The first-person view camera with different camera angles allows you to view the battle scene from various angles. The first-person view camera allows you to view the battle scene from various angles; Enjoy various camera angles and scenes using the first-person view camera.

In addition to the standard attack actions such as normal attack and high-speed attack, you can be even more powerful in several skills, and gain strength in battle. For example, the healing skill has been added. In addition to the projectile attacks you can also activate other skills within your weapon, such as stunning enemies with a powerful roar.

The second-person view camera allows you to view everything from behind the enemy.

Elder Scrolls Online will add various new weapons and skills. We will add new abilities as your equipment and abilities are upgraded. You can obtain information on weapons, equipment, and skills in the patch notes.
