* Demon's Souls is a challenging action RPG experience, featuring tough foes and relentless gameplay. * Demons are not born evil. They are born as a result of an interplay between the demonic forces of Hell and the human souls that have rejected God. Like the demons in all religious traditions, they hunger for human souls. As the first strike of the invasion, they attack from all sides... ...but we still won't succumb. * Do you have what it takes to fight the demons that came for us? RPG Maker VX Ace - Time Fantasy: Steampunk Crack ±

Time Fantasy is a free, story-driven fantasy RPG adventure with mecha, dragons, and a battle system that emphasizes customization. There are 7 playable classes, over 100 jobs, and over 20 unique units you can build from scratch. Each class has an innate special ability; you can customize units and super-weapons to make you the ultimate fantasy warrior! Some base stats are randomly generated at character creation, but all of your stats are defined at the start and can be modified at any point. Adopt a permanent weapon and combine it with your party units for enhanced offense and defense! Build your character and your equipment in a unique way as you make your first impression on the battlefield! Time Fantasy is an epic fantasy adventure with a secret war between the two warring lords of the castle-a war to decide which one will rule the region. Will it be the princess of the north, or the blue-eyed lord of the southern valley? Will the evil blue-eyed lord and his armies win, or will the blue-eyed lord and his allies find a new champion? Form your party of warring factions, and lead them to victory! RPG Maker MV - Time Fantasy: Steampunk: The best RPG Maker MV themed game! MMO elements! A big brown hardcover with a giant picture book held by some sort of window. I guess I was around age 4 or 5. It was just always in the family room, all of a sudden. Neither my mom nor dad remembered any date for this
