Good looking but without license number and unity pro xl serial number and purchase date. I've seen similar but not like these.1. Field of the Invention The present invention relates to a novel liquid crystal composition which exhibits positive dielectric anisotropy, a liquid crystal display device including the composition, and a process for the preparation thereof. 2. Background Art In these days, liquid crystal displays have been used in various fields. However, conventional liquid crystal compositions have been unsatisfactory in durability for use under high-temperature conditions. Therefore, liquid crystal display devices using liquid crystal compositions having positive dielectric anisotropy ($\Delta\epsilon$) have been demanded. U.S. Pat. Nos. 4,435,047 and 4,797,183 have disclosed N-t-butyl-N'-phenyl-pyrimidine compounds and N-alk
