- In-game footage - VR Recording, Preparing / MP3's, Uploading to different locations, Certifying & Selling: • Add Editor, Miiverse, Youtube, Switch, Steam, Playstation Network (Works in Offline) • Find your online friends (If you choose to add your friends) • Play is different for different platform, the same goes for the enemies and boss • Boss fight can be played with more than one person Dedicated Website: She and her friends love late-night horror podcasts. How will they survive after a night of horrors told without the medium of words? Laugh your way through the dark with Cernunnos, the Goat Man! He's a guy who lives in the mountains with his goat head. And his cult, the Tetragrammation, wants his head on a pike. Grab your speakers and get ready to hear more than you knew you needed. About The Game Project: MultiVR.se All Scenes: - In-game footage - VR Recording, Preparing / MP3's, Uploading to different locations, Certifying & Selling: • Add Editor, Miiverse, Youtube, Switch, Steam, Playstation Network (Works in Offline) • Find your online friends (If you choose to add your friends) • Play is different for different platform, the same goes for the enemies and boss • Boss fight can be played with more than one person Dedicated Website: Finally! Third time's the charm. Not That Much Further will save you from uncomfortable conversations with your friends. In the distant future, a body-snatching alien race steals people's bodies from earth and enslaves them. The alien's goal is to enslave the entire human race. Our only hope to defeat the invasion is to steal back the body-snatching alien's stolen bodies, collect a special tool from a special piece of equipment, then use the tool to break the aliens' body-snatching machine. Which brings us to our story... • Campaign (9 missions) • Collect all 15 Bodies (A total of 15 bodies can be unlocked) • Collect the Right Tool (15 Tools to
