Inspired by the anime series, "Shelter", developed by, The Chinese Room and Klapauz Entertainment and published by Klapauz, is a first person narrative adventure game set in a post-apocalyptic world where humanity's last attempt at a sustainable existence on Earth, has failed and been abandoned. The world outside has turned into a barren wasteland and the radiation from atomic blasts has transformed the entire world into a living hell. Humanity has literally become an ex-vivo species. A world stripped of the human element. The player takes the role of a human being struggling to survive. Armed only with a kitchen knife and a mess of fast food, you must try and make it through a daily life where having shelter is more important than food and water, and fight your way past crazed street gangs, truck-riding looters and the deadly radiation. A new form of life awaits in this harsh post-apocalyptic world. A world that has very strict laws of nature, a harsh reality and a potential threat that threatens to wipe out your species. But first you must survive. Key Game Features: -A world stripped of the human element - A world of dirt, dust, s**t and radiation -A bleak landscape made into a living hell by the nuclear war - Houses, streets, a deserted diner, the campgrounds, the interiors of houses

In the game "Venetica - Gold Edition" the heroes Scarlett and Benedict follow their own paths through an epic action-RPG filled with dark dangers and numerous deadly creatures. Through their adventures they set out to fight for the right and to save the world of the living from the dark powers of Victor and his henchmen. There they are forced to rely on their magical powers and the strength of their allies. But they are also forced to encounter many obstacles such as traps, monsters and bosses. Their opponent is Victor himself, the dark lord of death, his dark henchmen, ghouls, dark elves and demons. There is no better way for them to accomplish their objectives than to put their wits and their skills into practice. They have to explore the complete world which in its turn is a living and changing entity. They need to conquer the various challenges and dangers as well as to gain access to the dark powers and weapons of the Twilight World. The gameplay is easy to grasp and easy to master. Consequently you can jump right into the heart of the game and leave the detailed, extensive and complicated explanations to the video tutorials. With its clearly laid out and logical rule system the gameplay is so easy to play that it can be played by anybody. That is also true for the game itself, despite the difficult and eventful storyline. Thanks to its balanced character development, the level of challenge increases gradually as the game progresses. After the first hour you can decide on your own, what kind of game you want to play - for instance playing from start or from completion. Key features: * Hands-on combat gameplay: You can fight against a huge range of vicious monsters. Their attacks and skills are triggered automatically depending on the currently simulated time. * Dark fantasy world: There are no set paths in the world of Venetica. The heroes are free to choose their own path in the game world, which leads them through dark fantasy locations. Here they have to fight against hordes of enemies and ultimately face their masters. There is a continuous story progression. * Darkness and power: In contrast to the light world of the living in Venetica there are two parallel worlds, one of the dark and one of the light, which can be accessed by the heroes. The accessible powers of the dark side are many and varied, as they were developed through centuries of necromancy. * Story and characters: The story tells the young lovers Scarlett and Benedict through a number of chapters and various locations. Set in the fantasy world of Eos, Bokenew launches a new turn-based battle system with unique rotation of player positioning. Using a new skill tree system, you can improve your characters to gain new abilities, strengthen your weapons and armor, and equip your characters with different gear. During battle, you can move your characters in any order in the rotation. Each time you move to a new position, you will execute an attack that can be enhanced with different skill trees. The order you go to each position can change based on the situation and enemy you are facing. Combined with the cards, you can execute multiple attacks in a single turn! With an ever-changing field, you will face different characters that you have to defeat. Your best weapon against them is the cards that you can use to enhance your skills during the fight. Cards can also be exchanged during the battle. While playing Bokenew, you can customize your card deck with different characters from the game. You can make your deck stronger, or choose a card that provides help in certain situations. During the fight, you can exchange your cards to change the course of the battle. Change your card deck based on the battle situation to create an effective deck. With over 100 characters, Bokenew has plenty of characters for you to acquire! For those who are looking for a unique RPG, this game is for you. Description: What is Heerwen? Heerwen isn't your average sword-swinging medieval game. The swords are there to protect the princess, not slay dragons. The princess isn't the typical damsel in distress. This girl is prepared to slay monsters with the weight of the world on her shoulders. Will her alone be enough to save the day? Heerwen is a game of fortune and cunning, and the outcome is yours to decide. Are you ready to put your tactics and resource management skills to the test? Key Features: Pioneer the genre: Bokenew is a brand new take on the turn-based RPG genre with a unique and exciting battle system, revolutionary skill tree system, and randomized battlefield Customize your hero: Enhance your character with different skills and equipment, providing limitless gameplay options Take action: Manage your resources and use your skills to your advantage. With a rotating battle order, each battle is unique and each battle brings a new
