Thenal and cinematography is by D.Tuesday, March 12, 2007 Casino Royale After a long hiatus, I have returned with a new name for my blog, "The Boy's Room: Wallpaper Edition." I am referring to it as the "Boy's Room" to differentiate it from "The Girls Room: A Girl's Perspective" which will still be called "The Girls Room." I guess you're wondering what got me back into blogging. Well, I've recently become a YouTube fan and, as fate would have it, I've recently fallen down the YouTube wormhole. I enjoy checking out the videos and I found a video by The Video Destination that stands out from the YouTube crowd. It's titled "Casino Royale." The video is actually a collection of all of the James Bond movies, but it
