## **What's new:**

**THE MASTERS OF THE UNIVERSE: The Covenant** is transforming the destruction of the cosmos into a new triumph of science and cosmic discovery. In awe, the mortals of space-time reflect on the unimaginable magnitude of the Covenant's power. **Masters of the Universe (MOD)** is a PC action/RPG/FPS by Iron Wolf Entertainment. The game features three factions, **GANZ**, **TYRI** and **YGG**. **GANZ** is the group filled with your favorite MOTU characters, **TYRI** is an independent group of heroes who work and battle hard for the sake of science and space. **YGG** is a group of important and high-ranking members of **GANZ**. The game supports cross play with PC players.

Take on the role of **Derren Hovel**, a young assistant chef with an unsavory past. In a world of violence and deception, you must fight for survival. An evil emperor oversees chaos in a land of crumbling kingdoms, as you, a young man determined to start a new life, set out on an epic journey.

**FIGHT! DISGUISE! ESCAPE! WIN!** Play a myriad of characters and experience the adventure in three different dimensions. Choose from a cast of well-designed characters, each with their own fascinating story and abilities. Perform various activities to earn resources, which you can exchange for new skills, items, or power-ups! **MAKE YOUR DECISIONS!** Surrender to a life of leisure to control the world's economy. Pledge loyalty to feudal lords who give you missions, create your own empire,

---

**and transform your home into a city**

**Cibele's last adventure before entering college has begun! In England on the way back from Mum's funeral, Cibele's flight and the sudden drop into another dimension takes them into a world of strange characters and mysterious forces. Celia is captured by the bad guys. Amidst the chaos, she has to arrange funeral services for her mum, figure out who's behind the kidnapping, and prevent some of the worst crimes ever. Meanwhile she learns about the dark forces lurking in this world which seem to be affecting her.**

**People are disappearing, conspiracies are swirling, and Casta, a young woman from the enchanted kingdom of Elsira, will do anything to save the people she loves. The World of Elsira is turning into a living nightmare**
