

Bronze Disc Copy [Updated-2022]

Bronze Disc Copy Serial Key is a powerful disc copy application that allows you to back up CD, DVD or Blu-Ray Discs. The program has a friendly and simple interface that makes it easy to use. The disc contents is read and written directly to the destination. Features: • Fast and easy disc copying. • Very high copying speeds. • New floppy images are included with the program. • Back-up to image disks. • Discs can be copied with ISO image format. • Support cd, dvd, dl, blu-ray. • Backup disc images on CD-Rs, CD-RW, DVD-RW, DVD+RW, DVD+R/Rw, BD-R/RW. • All discs except DVD+R/R/RW/W can be copied. • The program can be used with 32bit and 64bit Windows operating systems. • The program works with Windows 7, Vista, and Windows 2003, 2000, 98, NT/2000, ME, NT 4.0, 95, service pack 1. • Compatibility to all languages. • Friendly interface that makes it easy to use. • New features include floppy image backup, new floppy image. • Support any language. This is an application you can use, but it is not a replacement for any of the other disc copy programs around. It does not have the same options, offers support for more formats, can burn more than discs, but it also has two or three negative points that might bother you. It is not possible to use these with disc images, but with the copy you can use. No one disc copy / ISO image software is perfect. Using disc image copy software doesn't replace the real copy software, you can use them both together. Get more from your investment by making backup copies of software and settings to external drives. Copy multiple files at once, select to copy or not. If you do not want the files to be copied, you can select them all and deselect them all. After file selection, the selected files are copied to the selected destination location. You can copy the contents to multiple folders with a single click. Delete a file from any selected folder or copy multiple folders. You can delete a selected file from a folder in a single click or copy a folder to any other folder. Copy easily from any folder or file to any folder. Use

Bronze Disc Copy Serial Key Free Download
