I will once again be offering free copies of "Before the Sun Goes Down" to anyone who wants to submit a manuscript to me for consideration. These submissions must be received by September 15th to be considered for a summer's round edit. (In the past, this was accepted anywhere from October 15-December 15.) You can submit anywhere from a short story (up to 25K words) to a novel (up to 75,000 words). The only rule is that the novella must be between 25K and 50K words. If you'd like your manuscript to be considered, please send it via e-mail to: wolfsangel@gmail.com. I prefer to work in Amazon Kindle format. Submissions in Microsoft Word or Google Docs formats will not be considered unless they are in PDF format. I realize that this is a lot of rules, so let me assure you that I do not normally accept submissions for consideration any earlier than this time of the year. I love working on your novel or short story, but I don't get a lot of time. I do charge for work on longer submissions. I hope to see you all this summer! -Wulf . CONTRIBUTORS
