An action RPG on the web with a unique asynchronous online mode and multiplayer function. A mystery story that has echoes of the myths of the past. An epic drama where a mysterious online multiplayer function and an ancient myth come together as a single experience. A vast world where players explore unknown villages and dungeons together. A vast world where various dangers await, and exploration is the key to survival. A vast world that provides a large playing area, allowing you to freely move from area to area. A vast world that has lots of styles such as a small, medium, and large field and a dungeon and challenges players to go on an adventure in an immense size. An immense variety of player skill and expertly-designed content based on feedback from the development team. An epic story that looks at the drama of life, the relationship between friends, and the burdens of destiny. An epic story that describes the future through the past. TOTAL OF 5 WORLD UNITS (for Multiplayer) Play from the perspective of a character with a unique story of his own. Play with friends in asynchronous multiplayer. The online function is one of the largest online functions and it provides a variety of content. Huge dungeons containing various challenges await players. The content of the puzzle game and monster challenges has been upgraded. ABOUT DRAGON BALL Z: THE LEGEND OF OZ (known as DRAGON BALL Z: DASH IN BALLOON FORCE in Japan) MULTIPLAYER SERIES BASED ON POPULAR ANIME AND MANGA WITH THE UNSTOPPABLE ATTRACTION OF DRAGON BALL. A massively multiplayer online game in which the story of Gohan and his friends is continued. Explore the world that had vanished for a long time as the expanded fight scenes of DRAGON BALL Z: THE LEGEND OF OZ are recreated. Vast fields in which you play with your friends to cultivate your own field. Towns where players must help one another and navigate a dangerous path. Dozens of items that can be used to help in battle. In addition to battles, there are tower defense, monster strength games, a puzzle game, and a survival game. A world where you can easily fight with your friends. A world that takes up the appeal of DRAGON BALL Z: THE LEGEND OF O

Features Key:

A vast, original world with rich narrative.

Play as a diverse cast of characters.

Create your own world of play, a place that immerses the player into a fantasy adventure.

Hundreds of hours of gameplay.

The original story by Noboru Ide-Tezuka, the creator of Dragon Quest and Professor Layton.

An original approach to a port that preserves the charm of "classic RPGs."

A combination of both online play and "Buddy System," where you play together with your friends.
