Kendo Furlong; Kenny B. "Reverse-osmosis" ice-making devices are used in some of the major breweries of the USA and Canada. Our Story KENSINGTON DESIGN LIMITED was set up in 1984.

The founder, Francis John Severs, originally wanted a company that dealt with different aspects of the furniture making industry, but as his experience grew he soon found out that the company he wanted to set up would have to specialize in the design and manufacture of sofas. KENDO sofas kendo sofas were introduced in the UK in the late 1990s by the kendo company.

kendo sofas are a combination of a sofa and a bed. This unique design saves space in the living room and bedroom. kendo sofas are also known as a sofa bed. kendo sofas are made of extremely high-quality, heavy-duty fabrics and with the advantage of their drawers and tables, they offer extra benefits to the house owners. kendo sofas are available with a variety of fabrics to complement the design and the living room. kendo sofas are easy to move and assemble. kendo sofas are typically used as two stools or a stool and a bed. They come in a wide range of

sizes and designs, with unusual shapes and styles. They are ideal for kids rooms, home offices, guest bedrooms, nurseries, playrooms and teenagers' rooms. These are perfect in case your home has small bedrooms. kendo is a high end furniture manufacturer for sofas, beds, and all furniture products. kendo is one of the most popular furniture companies in the UK and has been making high quality, well designed, durable and attractive furniture for over 30 years. kendo has made incredible breakthroughs in the industry. kendo was the first to make all their mattresses 100% suitable for allergy sufferers. They have also helped allergy sufferers by designing the mattress and all the furniture to maximise airflow. With their knowledge of keeping their customers happy, kendo has made the mattress and furniture the best in the industry. kendo has even added sleep hygiene to all their bedroom furniture to ensure the best quality sleep. kendo is using the best quality fabrics, zips, and stitches. kendo has been the first to use fire retardant materials in all kendo furniture, including 6d1f23a050
