Noise Ninja for Photoshop is a great solution to remove noise from your pictures.Attention! This news was published on the old version of the website. There may be some problems with news display in specific browser versions. The beginning of a new era From this Sunday, 22nd of April, to the 16th of June, 2015, United Kingdom is going to witness the beginning of a new era. We are announcing, for the first time, the formation of a new team - "United Kingdom". A team made up exclusively of pilots of Great Britain and Northern Ireland. The first team to be known as "United Kingdom"! If you have never been part of any of the United Kingdom teams, if you are also unable to make the trip to Europe in the coming period, we invite you to join the United Kingdom squad in the UK servers. (more information will be provided before the event starts, in the "About this announcement" section) Will the new squad qualify to compete in the European cup? The answer is "yes". All players, as well as the "United Kingdom"
