And quite honestly, totally worth the time and the effort.. I had an amazing time all around - and I do mean in so many ways.. For those of you who are not at all familiar with the music - I am sure you will be if you are interested in this 'cause my walls are littered with cassette tapes of all of their songs - and as you might think this was a 'stay tuned' for the next event announcement.. In the meantime - here's the 'event'.... The general premise was to 'drop by' a couple of well respected fitness clubs -(who's names I am sorry to say I can not recall, for obvious reasons...lol) and well, let them know that I was there, what a wonderful idea - and I did.. I was greeted and then proceeded to sign up for a number of free 'challenges' which brought me a new experience.. The challenges are in no particular order: 1. Am I a 'stalking type'. 2. Am I someone who 'would go for a 2nd bite' when confronted with beef? 3. Am I 'bonk' full on when it comes to sperm? 4. Could I make a love connection? 5. How far can I swim? 6. Can I eat 4 egg whites? 7. Do I 'have it'? 8. Is my balance as good as a hobo? 9. Can I climb a tree? 10.
