Custom pebbles and curvilinear shading. This beautiful quilt is in one of my favorite colors, turquoise blue, and was made by my client Elizabeth. she asked. I love it when clients bring me their materials and I can use them to create my own designs. $\hat{a} \in \mathbb{C}$ want it to look modern, but I don't want to spend too much time on it, $\hat{a} \in \mathbb{C}$ she said. $\hat{a} \in \mathbb{C}$ You could do this in a technique that I usually call "switching points", using stitches to get the same line
