Genuine DBZ experience. One thing that has never been questioned in this game series is the attention to detail from an aesthetic standpoint, and that continues in . Size : 700mb/Part Link to media fire. Part 1. I really love DS games because they always have well thought out storylines that are not just for show, but to play. I have never seen a game with such attention to detail as this one, and probably no one. And even though it's not a DBZ game, with 30 hours of play, there's every chance you'll find out why the game is named that way and what it means. I think it's one of the best games in the series in that regard. You will
