I have an English version on my laptop. xD Å· If you can get the english version let me know. Å· What is the problem? Å· When I play. Bild Kategorie Lelink.com Alibris.com It arrived today and as I bought it at a bargain price from a friend (for his own reasons) I thought it would be a good way to get into this genre. I got it to play if I suddenly became turned on. I own a copy of Musumaker and not being a huge fan of the genre, I decided to see how this was. Can't say it was a bad idea. Some of the pages could be a little cumbersome at times, but that's not a huge issue. I have no problems navigating around, and the writing is quite pretty at times. Characters are pretty good, especially the girl, her design is pretty good and I think she is a nice character. I really like the art as well, and it's good that the development team employed a character artist to handle the characters. Overall, I am quite pleased with Musumaker English Full Version and can see that this is a good little story for a RPG boy. I give it 4 out of 5 mouseclicks.
