December 23, 2021 - Coub is YouTube for video loops. You can take any video, trim the best part, merge with other videos, add soundtrack. Kubrick can be shared on social networks. But actually there is something interesting about Coub. Coub is a kind of video creation web service that can be useful if you are a developer or want to create something like that. There are two ways to create your own video in Coub. The first way is to create an application. To do this, you first need to create an account on Coub.com, so don't be afraid to do so. After you do that, go to Coub SDK.
