This is a movie. Unusual, romantic. Audio. Telugu [Original]. Subtitles. Arabic, English, Hindi, Simplified Chinese, Traditional Chinese. This is a movie. And it's amazing. There are no words in this film, there is only music, there are only sounds of nature, there are only sensations. And, oddly enough, this is very possible in real life. Movie in real life. Film in the soul. Film in the heart. Movie in my head. Every time I hear this music, the thought of this movie pops up in my head. And now I am writing this review, mentally returning to this amazing film, to this amazing life. A story about how sometimes you need to listen to nature.
