to have the Install DVD for Windows 7. This has a fix
for a high volume of failed installations that install
correctly the first time. I'd like to offer the DVD as a
free product. While I understand I am in violation of
your license, I would like to help others with this. The
installation DVD is 2.63 MB. Can you email me,
chad.lester@chadlester.net about this. Thanks, Chad.

want to offer the option to purchase the DVD. Make
the DVD the price of the program. I would like to not

violate your license when I offer this. I would need the DVD to do my job of testing it on as many computers as possible. Could you please email me the DVD location, or at least point me to where one can download the DVD? Thanks. 2 years ago Hiav It
