Stronghold crusader in Punjabi with a crack (highly compressed). Unknown. Stronghold: Crusader is the successor to Firefly Studios' 2001 game Stronghold. Stronghold: Crusader tells the story of the Crusades, where players will take control of one of the Christian units, and will have to crush the Muslim army. You can also play as Muslims. Unlike the original Stronghold, Stronghold: Crusader uses an entirely new game engine. This time you will be able to play as Muslims. This game requires Microsoft Windows XP or Vista and a compatible graphics processor.
