A simple idea to make a guitar or soft body in a first-class shapecontact: nbsdesign2014@gmail.com. And I think I'll love it. I can do it to become a pro, although I don't know how it would work and I don't play guitar. I'm thinking about just seeing if it sounds good and I'll probably take it home to try it out. I think about it because my son is already playing and I think it's a great way to develop his skills and also have fun. I don't know if I can master the guitar or if it might not be for me. But I don't want to lose my enthusiasm.
