May 4, 2020. - The patch will change the structure of the game editable in cm0102.exe, such as the competition names and the transfer window. However, you can still switch between windows with the Alt+Tab key combination. Update 3.1.0: The patch changes the way the menus in the game and transfer window are displayed. The game menu now shows a list of players you can play a match with. 0946cee1be
