GB Directed by Mohanlal, Charlie - [2015] is a 2015 Malayalam movie. This movie is released on 8 April 2015. Madhan Kalanthenkalam, Stella Paul and Nedumudi Venu also feature in this Malayalam movie. The film got released on 7 April 2015. a. Charlie's reviews are so philosophical in nature. So, whenever you feel like complaining about some things, things get so philosophical. I guess, people like Charlie can be so elaborate with their writing. I like that. But sometimes, things seem so elaborate, and then you find you have to read slowly to grasp the meaning of the paragraph. And I guess, I like that, as well. b. The use of double quotes. Unlike Bullet's reviews, or One for One's reviews, there's not much use of double quotes in Charlie's reviews. But these quotes come at the appropriate places in the review. So, one could say the reviews are this long because of the use of double quotes, and they make sense so often.
