Fates Veil Kingdom Of Amalur Save Editor V1.1

now there are some caveat's to this editor: save games from the beta 6 patch forward can be used in this editor, beta 5 can not, however all other patches can be used. this editor does not have unlimited ammo, it just has unlimited ammo in the current load-in slot. however, it does support infinite ammo, which is the one and only way that i know of for unlimited ammo. also, this saves all the gear from your current weapon, not just the primary.
