1080p)**

with the hunger games movie trilogy ending, a series of tv movies has been announced. it will feature interviews with jennifer lawrence and her co-stars, who will speak about the process of making the movie. the movies will also feature a tribute to the movie, and even a scene from the original book, for the first time in over 15 years. with the first two movies, the hunger games, and its sequels, the hunger games: catching fire and the hunger games: mockingjay - part two, winning a record-breaking twelve oscars, the series has established a new benchmark for the genre of action film. the hunger games movie trilogy is now regarded as a benchmark of hollywood, and it has been widely acclaimed for its epic story, its thrilling plot, and the way it has captured the world of the hunger games. (the hunger games soundtrack has also become a hit, and even won a grammy award.) with the trilogy now finished, its time to move on to the next chapter: the hunger games: catching fire, which opens on november 22 this year, and the hunger games: mockingjay - part two, which opens on november 20, 2015. katniss and peeta are contestants in the 74th annual hunger games. in the annual deadly competition, the capitol selects the tribute, or contestant chosen from a district chosen at random, and the rest of the district (or player) must compete against him or her. this year, the tribute chosen is katniss everdeen, a young woman who is reluctant to participate because she has no experience in winning. meanwhile, a corrupt capitol politician, president snow, wants katniss to be the tribute because he believes she is only capable of compassion. a rebellion is brewing, however, and katniss must try to bring it to a halt.

in the end, the question wasn't whether or not catching fire would do well. there's no way to tell until they're released. what we did know was that our previous releases had been great. our franchise had a rich and loyal fan base. and we knew that when the movie came out, people would be eager to be a part of the process. and we've always been able to count on the fact that people would want to be a part of the conversation. we knew our fans were passionate and that they wanted to be part of the process. the success of the hunger games is not just about the film. it is about the experience of seeing it with your family, with your friends, and having something that you can hold in your hands after it comes out and say, that was a remarkable and important piece of art. it's something that we all share as a fan base. it has a meaning that connects us all. the question is, will catching fire live up to the hype? we know it will be a hit. at the same time, i can't help but hope that it will exceed the expectations of our fans, because they've been incredible. they've shared their passion for the books with us and with our studio, which has been a privilege. we are so proud of this film. we hope our fans are too. if anything, collins has done a great job of translating the hunger games on screen. there's a good number of scenes in catching fire that are almost word for word in the book. in the film, it's the movie. it's about bringing the hunger games to life, and we want to make sure that we re-create it for our fans. we are not the people who came up with the hunger games, so we want to make sure that we get it right, because this is a story that we love.
