In the 2011 film, he portrayed the character Krishna and was almost a success. His character was and still is very popular and more than 7 lakh people saw the movie. It would be fair to say that his career is now reaching new heights because of 800. Rashid is the son of a poor farmer from Hyderabad. He worked as a labourer and was a city-bred youngster, who lived in the United States for over five years. He came to India to pursue a career in cricket and started his cricketing career in 1998 under the tutelage of former Tamil Nadu fast bowler Javed Akhtar. I regret not watching the film in English. I was not in the mood. I had some personal issues. After I watched it in Tamil, I understood that people are using my life against me. Why are they taking it out of context? I am being used to point fingers at me, he said. The irony is that the Sri Lankan media has no problems writing columns against Sri Lankan Tamils. But, they are so permissive to be against me, he added. I don't understand why that is happening. Is it not enough that I am using this platform to talk about the issues that is facing Tamils or is the Tamil community not important? Tamil Nadu government and state police have been a safe haven for political, social and administrative issues, he pointed out. Political parties with their vested interests have been active here for long. This is a state of their choice. Tamil Nadu seems to have become more open to Tamil political and militant activities, he said. 5ec8ef588b
