**Fixed Free Activedolls Full Version**

---

ActiveDolls is a shareware program from the Miscellaneous category developed by Pineapple. ActiveDolls runs on the following operating systems: Windows. This application is not a game like Tomb Raider, Sacred or Shadow of Mordor. This is a program that is mainly used in the field of virtual psychology, but is also a tool for creating photo toads. There are no gameplay elements in ActiveDolls that would be of interest to the player. For example, it does not provide for the possibility of playing football, so, in essence, ActiveDolls is a social program that allows you to exchange personal photoshops. However, you can also create your own within it
