In the game, you play as an immortal space trucker that comes across another person. You encounter another sentient life form, the Creeper, which has destroyed most of the world and is now attacking your home. You must use your vehicle to repel the Creeper and kill it to protect your home. Creeper World for PC. Creeper World was developed by Greg Costikyan. The game is a top down, hack'n/slash-like simulation game that has some tower defence elements. There is no actual story, the player is simply tasked to rescue Odin City, that is, humanity's last hope, from the destructive Creeper. Most of the game is about surviving, that is, repelling the Creeper, although the game also includes'sandbox' gameplay, where the player is free to engage in the battle without any restrictions. Creeper World is free to play. In the game, the player is tasked with the primary objective to simply survive.
