
Mathworks Matlab R2016b (WiN) ISO Download ((FREE))

[Download](#)

See [How to download a MATLAB ISO archive?](#) for instructions on downloading ... Windows. As with R2016b, the MATLAB installer is divided into two ISO archives. One of them - the ISO-archive of program distribution (also called "MATLAB", "MATAB", "MATLAB R2016b" or "MATLAB R2016b") - contains the "mother" MATLAB program (commonly called "MATLAB R2016b" or "R2016b"), and also contains programs and libraries, needed for MATLAB. This main installation file is called "MATLAB". It contains information about program versions, list of supported operating systems, localization information, list of programs included in MATLAB set, etc.
